duckpool aka Karsten Rische creates his art by combining different techniques, such as painting in acrylic and a variety of ways of applying colour pigments.

After the Walt Disney Company Germany became aware of duckpool's works and techniques, Disney and Disneyland Paris commissioned numerous works which mainly incorporate the historical Disney characters such as Donald, Mickey and Minnie using the mentioned techniques.

It is astonishing to see the consistently positive effect that these large format carachters on canvas have on the viewer - genuine sympathetic figures that have accompanied us since our earliest youth.

Mixed media on canvas, 2020, serial unique piece, signed. Unframed. Size stretched on stretcher frame 100 x 100 cm.
