

Zeus of Dodona

€560.00

Product no.: IN-314587

Odysseus went to Dodona, the oldest sanctuary in the Greek world. There, under Phillip of Macedon, the famous sculptors of the time created statues to adorn the temple of Zeus. Here, the almighty father of gods and men strides towards the viewer, ready for action and gracious. Original: Staatliche Museen Preußischer Kulturbesitz Berlin, Antique Collection. Greek classical period, 4th century BC. Cast metal with fine patina. Height with shell limestone base 34 cm.
