€320.00

Product no.: IN-762917

It is not always what it looks like. If you think the penguins have found a spot on an ice floe, take a second look. In fact, the flightless seabirds are standing on one of the famous menthol lozenges "Fisherman's friends". Volker Kühn's lovingly humorous look at life will stop at nothing, not even at little penguins. Each 3D object is elaborately handcrafted, titled and signed by hand in pencil. Artwork in 5 cm deep solid wood display case frame, glazed. Size 25 x 29 cm (h/w).
