All the jewellery pieces of the "Painting + Structure" collection are unique. They contain fragments of paintings by the artist Jürgen Kreuchauff. The refinement with 24-carat gold leaf, 925 silver leaf, colour pigments and the merging of the components create unique colour and structure gradients.

The mysterious and profound colours of the Painting + Structure fragments of the "Magic Blue" jewellery set are given their noble character by overlays of 24-carat gold leaf and 925 silver leaf.
