

## Gerhard Richter: Picture "1025 Colours" (1974), framed

**€1,080.00**

**Product no.: IN-945894.R1**

Gerhard Richter is considered one of the most important contemporary artists of the 20th century. In 1966, he discovered colour sample cards and began to paint them. Over the following years, he repeatedly rearranged the colour fields, creating the most diverse visual symphonies.

Original: 1974, lacquer on canvas, Louisiana Museum of Modern Art, Humlebæk, Denmark. Catalogue raisonné 354.
