

Paul Klee: Picture "Castle and Sun" (1928), framed

€540.00

Product no.: IN-896559

Even though the composition of individual surfaces in "Castle and Sun" is reminiscent of Klee's Tunis paintings, it already shows the transition to his expressive-abstract late work. The warm colours give the impression that the sun is bathing the castle in the evening light.

Original: 1928, oil on canvas, Collection Roland Penrose, London.
