On the anniversary of Richard Wagner's 200th birthday, 500 Wagner figurines accompanied the festival in the Festspielpark and in the city centre of Bayreuth from 23 July to 28 August 2013. "Clustering in one location, or scattered over the entire city, my sculptural projects become visual as well as tangible obstacles. They are meant to make people think, to make them pause for a moment. In this way, I would like to trigger social communication." (Ottmar Hörl)

Limited edition of 200 copies. Numbered and signed edition in four colour variations, made of weatherproof, unbreakable and non-toxic plastic in a rotational moulding process in Germany. All ingredients come from Germany and are subject to constant quality control. Size 42 x 102 x 60 cm. Version midnight blue.
