

Ceramic figure "Cheetah"

€1,280.00

Product no.: IN-947269

Folk art and elaborate handicrafts from Uruguay. The items are fired several times, and decorated with materials such as enamel glaze, gold and platinum in elaborate handwork rich in colour.

The effort that goes into these colourful ceramics is enormous. In the first step, the still soft cast base form is decorated with fine ornamental details. The first firing hardens it, then it is painted - again by hand - and decorative enamel glazes are applied. After further kiln cycles, gilding and platinum elements are finally applied - creating individual testimonies of the close connection between Latin American folk art and handicraft at the highest level.

This ceramic figure perfectly captures the grace and power of this fascinating feline predator. Detailed workmanship and partly gold-plated with 18-carat. Enamelled glaze. Size 35 x 24 x 20 cm (h/w/d). Weight approx. 2.9 kg. Limited edition of 500 copies. With certificate.
