

Gustav Klimt: Bangle "Tree of Life"

€59.00

Product no.: IN-903564

The spiral branches of the tree of life are the central motif in the famous wall frieze in the Palais Stoclet in Brussels. Gustav Klimt designed the Art Nouveau ensemble from 1905-1911. The bangle is modelled after this work. Made of gilded brass. Width 4,5 cm. Diameter approx. 6 cm.
