

Kurt Arentz: Sculpture "Donkey Foal", bronze

€1,400.00

Product no.: IN-937550

The German sculptor Kurt Arentz (1934-2014) was able to bring his very own side to the classical subject of animal sculpture. Although Arentz always emphasised the typical features of the animals, he never strove for naturalistic perfection. He left the surfaces uneven and visibly structured, thus giving each of his figures a very individual character. Just like with this donkey foal, which is attentively observing its surroundings and planning new voyages of discovery.

Sculpture in fine bronze, cast using the Lost-Wax-Process, chiselled by hand, patinated and polished. Limited world edition of 25 copies, numbered and signed. Size approx. 11 x 18 x 21 cm (h/w/d). Weight approx. 3.1 kg.
