

Apollonius: Sculpture "Torso of Belvedere" (Reduction), cast

€580.00

Product no.: IN-284681

No other fragment of ancient sculpture has received so much praise over the centuries. From Michelangelo to Rodin, many of the greatest artists have worked with the torso. In collaboration with the Glyptothek Munich, we have created this special edition of the torso, which we can offer you at an exceptional price.

Original: 1st century BC, height 159 cm. Vatican, Museo Pio-Clementino, Sala delle Muse. Marble.

Reduction. Polymer ars mundi museum replica, cast by hand, with diabase base. Total height 35 cm, pedestal 16 x 15 x 4 cm.
