Product no.: IN-699043.R1

Berlin by night: a symbol of awakening and renewal. In unobtrusive yet powerful colours, Namazbek Chekirov creates very special city impressions in which he succeeds in capturing the movement of the moment in the modern use of forms. Each of these Giclée prints on an original artist's canvas also reproduces brushstrokes and structures so precisely that the impression of an original painting is created. Each canvas is traditionally stretched on a stretcher frame and individually hand numbered on the back and signed by the artist.

Giclée on artist's canvas, 2008. 750 copies limited edition, numbered and signed on the back. Mounted on a stretcher frame. Size 90 x 90 cm. Framed in a sophisticated solid wood studio frame with a shadow gap. Size 94 x 94 cm.
