

Statuette "The Snake Goddess", hand-painted cast

€590.00

Product no.: IN-015858

A highlight of Cretan-Mycenaean art. This statuette, found in the central cult room of the palace at Knossos, depicts a goddess: The female garment with a tightly belted waist and the bare chest is characteristic of the Minoan period. The goddess wears a stylised panther on her head. Archaeological Museum Heraklion, Crete. Knossos around 1700 BC.

Polymer museum replica, hand-painted. Height 30 cm.
