€3,290.00

Product no.: IN-899040

The moment after the swing - captured in gleaming golden bronze. Torsten Mücke's "Golfer" pauses in a perfect posture and looks after the flying golf ball. The German sculptor expresses the athlete's body tension and concentration in this sculpture with only a few but precisely chosen contours. Mücke always goes to the limits of abstraction in his modelling, but the figure and its message always remain recognisable. Its essence even gains strength, and it becomes a universal symbol with multi-layered possibilities of interpretation.
