

Ulrike Langen: Picture "Dame de Coeur", on stretcher frame

€460.00

Product no.: IN-754128.KR

Lucky in love, lucky at the cards of life: Ulrike Langen's "Dame de Coeur". Friedrich Schiller said that people are only fully human when they play. Ulrike Langen steps it up a notch: "Life itself is a game; you master it by playing or not at all". But she says it with great optimism: her picture shows her queen of heart - and a "lucky" roll of the dice.

The original artwork was transferred directly onto 100% cotton artist canvas using the Fine Art Giclée process for a brilliant, authentic reproduction and mounted on a stretcher frame. Limited edition of 199 copies, numbered and hand-signed on the back. Size 90 x 90 cm. Exclusively at ars mundi.
