

Garden sculpture "Female Grey Heron", bronze

€340.00

Product no.: IN-689306

The slender and imposing stork bird with a long neck and beak spear searches for prey on its long legs. This life-size sculpture is an eye-catcher in the water or the meadow.

Made of fine bronze, cast using the Lost-Wax-Process, patinated antique green. Female grey heron. Height 53 cm. Small deviations in size are a sign of pure handwork.
