Product no.: IN-901212

Original: 1893, oil on canvas, Skagen Museum Denmark.

To achieve a vibrant, authentic reproduction, the original artwork was worked directly onto 100% cotton artist's canvas using the Fine Art Giclée process and stretched onto a stretcher frame. The canvas structure can be clearly sensed and seen. Relief-like brush structures are applied true to the original by hand. This shows off the elaborate workmanship. A high-quality white and golden solid wood frame completes the noble appearance. Size 65 x 87 cm (h/w). Limited to 980 copies. ars mundi Exclusive Edition.
