

Angeles Anglada: Sculpture "Moments", artificial stone

€380.00

Product no.: IN-944712

Sensual allegory of partnership. The original sculptures by the Spanish sculptor Maria Angeles Anglada captivate with their fragmentary representation, which leaves room for identification and interpretation.

Made of cast stone, the patina gives it a special, metal-like appearance. At the base is a small golden plate with the artist's engraved signature. Size 36.5 x 26.5 x 17 cm (h/w/d). Weight approx. 4.7 kg.
