

Bust "Buddha of Angkor Wat", cast

€210.00

Product no.: IN-930630

The striking and particular smile of this Buddha bust originates from a movement of sculptors, who in the 11th century liberated their work from the Indian influence of the past. This change, imposed with an ethnic style, resulted in a series of faces, both Buddhist and Brahmin, that idealised the features of the Khmer people.

Original: Sandstone, Cambodia, 12th-13th century, Khmer and Baphuon style, Musée des Arts asiatiques - Guimet, Paris.

Replica made of hand-polished resin, on a wooden pedestal. With certificate of authenticity. Size including pedestal 29.5 x 12 x 12 cm (h/w/d). Weight approx. 2.5 kg.
