

Peter Strang: Sculpture "Balloon Dress", porcelain

€1,280.00

Product no.: IN-739901

This porcelain sculpture does not conceal its traditional role models. However, it is quite a standout in terms of its style and appearance: the sculpture, made of more than 20 cast individual parts and completed in several firings, sits like a diva in the green countryside (through which the Schwarzburg workshops' heraldic animal, the fox, cuts its way, as if by chance). And instead of a baroque dress with filigree drapery, she wears a balloon dress which, like many other details, emphasises her elegant femininity. Seven colours and an elaborate gold decoration do the rest. Limited to 99 copies. Size of the porcelain sculpture 16 x 36 x 12 cm (w/h/d). ars mundi Exclusive Edition.
