

Bruno Bruni: Sculpture "La Spina" (1999), bronze on pedestal

€3,200.00

Product no.: IN-305327

"The beauty of women has fascinated me since I was a little boy." Bruno Bruni reaffirms this confession repeatedly with his ideal of the manneristical overstretched, narrow-hipped, long-legged girl figure. Bruni's views of grace and beauty never fail to enchant the viewer. The viewer's gaze is drawn to her lovely back with this female nude.

ars mundi Exclusive Edition bronze sculpture, patinated and partially polished. Cast by hand using the Lost-Wax-Process. Height with pedestal 31 cm, weight 8 kg. Limited edition 640 copies, signed and numbered.
