

Franz Marc: Picture "Tower of the Blue Horses" (1913), framed

€290.00

Product no.: IN-756126.R1

Franz Marc created his well-known animal motifs between 1910 and 1914. He described animals as symbols of the idea of creation. His works are utopias of a paradisiacal world with the symbolic use of colour. According to his colour laws, blue was an expression of the spiritual. This picture is considered one of the most important pictures by the founding father of the legendary artist group "Blauer Reiter" and has been lost since 1945.

Reproduction in 4 colours using the frequency-modulated process on cardboard. Framed in a silver-coloured solid wood frame, glazed. Size 84 x 64 cm (h/w).
