

Garden sculpture "Red Milan" (version with column)

€2,800.00

Product no.: IN-702914

The red kite was voted Bird of the Year 2000 in Germany. It belongs to the Accipitridae family. This beautiful bird can now feel at home in your garden as an imposing bronze sculpture.

Red kite (with pillar): Bronze sculpture on a tall column of natural stone. This varies between 1-1.25 m in height and makes each sculpture a unique piece. Size (Milan) approx. 23 x 52 x 22 cm (w/h/d), weight of the column approx. 180-200 kg.
