€95.00

Product no.: IN-876576

Animal for design lovers. The zebra was one of Kay Bojesen's first animal figures that he created in 1935, long before his famous wooden monkey conquered the hearts of collectors in 1951. The simple design makes the figure a favourite of young and old. The zebra owes its characteristic stripes to the Danish artist Svend Johansen, who also gave Bojesen's puffin a colourful plumage.

Animal figure made of lacquered wood (beech). Height 19 cm. Weight 0.4 kg.
