

Anja Struck: Picture "A Beautiful Day" (2017)

€680.00

Product no.: IN-883497

The artist Anja Struck from Lüneburg is a master of atmospheric staging. That applies, for example, to her works in which she unites people and landscape. The dissolution of boundaries, the blurring of motifs and the emergence of blurriness are characteristic of these works. Struck's main subjects are fully absorbed in their surroundings. They virtually blur into them and thus become a part of nature itself. This artistic effect conveys a feeling of great freedom, as in "A Beautiful Day" alone in the summer mudflats.

Reproduction on Alu-Dibond behind 3 mm thick acrylic glass. Limited to 199 copies and numbered. Hand-signed certificate included. Size 42 x 112 cm (h/w). With suspension device. Due to the smooth surface, mirror effects may occur depending on the incidence of light. ars mundi Exclusive Edition.
