

Pearl jewellery set "Margarethe" - after Gustav Klimt

€150.00

Product no.: IN-941699

The decorative and harmonious-looking spiral shape is just as typical of Gustav Klimt's paintings as a richly decorated background, mainly in gold. The jewellery set inspired by the works of the Art Nouveau master combines nobly shining black onyx beads with gold-plated jewellery elements.

Necklace: length approx. 45 cm. With lobster clasp.

Earrings: length approx. 2.5 cm each.

The jewellery set includes a necklace and earrings.
