

Gyrodus (Gyrodus Macrophthalmus Hexagonus)

€1,590.00

Product no.: IN-186404

These former rulers of the Jurassic Sea have only survived in as fossils. The rhombic-scaled disc-shaped pycnodonids possessed a dentition rich in teeth. Original: Bürgermeister Müller Museum Solnhofen. White Jurassic / Malm.

Polymeric ars mundi museum replica, cast by hand, with limestone effect. Size 102 x 73 cm (w/h) with suspension device.
