

Necklace "Liora"

€128.00

Product no.: IN-940260

The arrangement of the gemstone cabochons, which seem to float in circular shapes, is reminiscent of fascinating pieces of balancing art. The sunny yellow shining amber and the deep blue shining lapis lazuli are particularly effective in combination with gold-plated sterling silver. Adjustable length approx. 45-50 cm. Size pendant 4.2 x 2.7 cm (h/w). Size lapis lazuli approx. 1.9 x 1.4 cm (h/w). With lobster clasp.
