

FreyWille:

Bordered bangle "Diva - Hommage à Hundertwasser - 10002 Nights"

€995.00

Product no.: IN-940806

The colourful HOMMAGE À HUNDERTWASSER collection by FREYWILLE was inspired by the artist's extraordinary, vibrant designs and their central elements. Hundertwasser wanted to create an architecture that was closer to nature and people, in which diversity and organic and unregulated irregularities predominate. The cheerful design 10002 NIGHTS, featuring colourful towers that seem to have escaped from an oriental fairy tale, is inspired by his ideas.

Like a painting that wraps itself colourfully around the wrist, the Diva bordered bangle is an incomparable statement jewellery piece with an impressive colour palette, including brushstrokes of pure gold. Its handcrafted surface of shimmering fire enamel glows with art-inspired beauty. A true treasure full of radiance that lends its wearer an incomparable aura. Brass 24-carat gold-plated. Diameter 7 cm. Width 3.8 cm.

Each piece of jewellery is a handcrafted work of art of the highest quality, distinguished by the noble material fire enamel. Fire enamel consists of liquid glass with mineral additives, which is melted at very high temperatures with 24-carat gold dust and high-quality colours.
