

## Garden sculpture "Capricorn", bronze

**€2,980.00**

**Product no.: IN-764505**

The ibex is the undisputed ruler of the high mountains and ventures to heights that other animals can no longer reach. This almost life-size sculpture shows him in all his majesty with his mighty horns and imposing appearance. A magnificent eye-catcher in every respect in any garden. Sculpture made of fine bronze. Size approx. 60 x 85 x 40 cm (w/h/d), weight 15 kg.
