

Loriot: Sculpture "The Knight of the Rose", bronze

€1,980.00

Product no.: IN-690005

"The Knight of the Rose" is a cultural treat of a unique kind: as an opera, it is already a humorous classic, but as a drawing from Loriot it is a classic of humour. The "The Knight of the Rose" delivers its message of love in an absolutely irresistible way. Loriot's protagonist immortalised in bronze is an everlasting declaration of love. The true role of the man is defined, quite incidentally, in a typical lovely way à la Loriot: the well-behaved retrieving "best friend" of the house... A delightful eye-catcher that will give both men and women everlasting

The limited edition of 980 copies bears Loriot's signature and is individually numbered. Each sculpture is cast by hand using the Lost-Wax-Process, patinated and polished by hand. Size 18 x 18 x 17 cm. Weight approx. 2 kg. ars mundi Exclusive Edition.
