

Lorient: Sculpture "The Little Thinker", bronze version

Product no.: IN-425717

Lorient's humorous answer to the eponymous sculpture "The Thinker" by Auguste Rodin is already a classical three-dimensional bronze multiple and has been sold out for years.

Because a great thinker also needs many "little thinkers" to answer all the unanswered questions of everyday life, the sculpture "The Little Thinker" was published. In addition to this official numbered edition intended for sale, the artist usually receives a few E.A. copies (= "Epreuves d'Artiste"). This edition contains a few E.A. copies from the artist's archive.

Fine bronze sculpture, cast by hand using the Lost-Wax-Process, patinated and polished by hand. Limited edition 980 copies + 20 E.A. copies (offered here). Individually numbered, with Lorient's signature. Size 20 x 14 x 14.5 cm (w/h/d). Weight approx. 2 kg.
