**€1,150.00**

"Chemin Fleurie en Provence" (Flowery Path in Provence): Typically colourful flowers of Provence line a path that is almost submerged in them. Only local people and plant lovers know it.

"L'étang avec pâturage" (Pond with Willows): If Claude Monet had painted his water lilies today, they would look like the water impressions by Jean-Claude Cubaynes. Brilliant due to the tendency towards hyperrealism and thus highly contemporary.

Two high-quality reproductions were transferred directly onto 100% cotton artist canvas using the Fine Art Giclée process and mounted on a wooden stretcher frame. Elegant hand-glided solid wood frame. Limited and signed edition of 199 copies each. Exclusively at ars mundi. Size 53 x 53 cm each.

Set of two pictures.
