

Ceramic figure "Lucky Elephant"

€198.00

Product no.: IN-903570

The effort that goes into these colourful ceramics is enormous. The base form is decorated with fine ornamental details, and the first firing hardens it. Then it is painted - again by hand - and decorative enamel glazes are applied. After further kiln cycles, gilding and platinum elements are finally applied - creating individual testimonies of the close connection between Latin American folk art and handicraft at the highest level. Each piece is unique.

The magnificent elephant is a symbol of power and embodies the element earth. In many cultures, it is considered a lucky charm - especially when its trunk is raised. The finely formed structures of the skin, the coloured enamel ornaments and the gold-plated details are remarkable. Each piece is unique. Size 17 x 9 x 10 cm (h/w/d).
