

## Angeles Anglada: Sculpture "Doctor", artificial stone

**€248.00**

**Product no.: IN-948968**

She radiates calmness and prudence - just what one would wish for in a doctor! With her stethoscope casually draped around her neck, she carefully examines the patient and contemplates the appropriate treatment. The figure captivates with its naturalistic and detailed design, enhanced further by the multi-coloured patina.

Artificial stone cast with a green and golden patina. Size 31 x 17 x 9 cm (h/w/d). Total weight approx. 2.8 kg.
