

Werkwaardig: LED designer lamp "Climber Lamp"

€159.00

Product no.: IN-919623

This designer lamp is the latest creation from the Dutch Studio Werkwaardig. By capturing the dynamics of movement, it creates the image of a frozen moment, resulting in a unique lighting atmosphere. The climber gives each vertical surface the appearance of a mountain, which it climbs to carry the light to the summit.

Made of high-quality synthetic resin. Size 13 x 16 x 17 (h/w/d). Bulb LED E14 2W is included. Please use LED bulbs only, no conventional bulbs! Cable length 300 cm. Suspension device included. Energy efficiency class B.
