

## Ceramic figure "Swan"

**€98.00** ~~€128.00~~

**Product no.: IN-937754**

Folk art and elaborate handicrafts from Uruguay. The items are fired several times, decorated with materials such as enamel glaze, gold and platinum in elaborate handwork rich in colour.

The effort that goes into these colourful ceramics is enormous. In a first step, the still soft cast base form is decorated with fine ornamental details. The first firing hardens it, then it is painted - again by hand - and decorative enamel glazes are applied. After further kiln cycles, gilding and platinum elements are finally applied - creating individual testimonies of the close connection between Latin American folk art and handicraft at the highest level.

Like no other animal in the animal world, the swan symbolises intimate love and lifelong loyalty. With its white plumage, it glides gently over reflecting water surfaces and flirts with its wings folded backwards. Ceramic figurine with an enamel glaze and 18-carat gold-plated accents. Size 11 x 7.5 x 11 cm (h/w/d).
