

Paul Wunderlich: Sculpture pair "Liaison", bronze

€2,400.00

Product no.: IN-774496

With his sculpture pair, the artist has conspicuously and convincingly reduced the difference between the sexes to mathematically describable basic forms. In this way, he proves once again that artistic abstraction can adhere to the representational, indeed, that it can virtually bring it down to a concept through intelligent reduction. But Paul Wunderlich not only gets to the heart of the subject formally, but he also binds the viewer emotionally to the couple by stimulating reflection on partnership and togetherness and making the viewer a dialogue partner of the two sculptures.

Two sculptures in fine bronze, patinated, partially polished. Cast using the Lost-Wax-Process at Fritz Albrecht in Altrandsberg. Limited edition of 250 copies, numbered and signed. Work number 317. The height of the female figure is 42 cm, weight 2.1 kg. The height of the male figure is 46 cm, weight is 2.9 kg.
