

Ralf Birkelbach: 3D Picture "At the Finish Line", framed

€298.00

Product no.: IN-886860

With imagination and wit, the 1960-born professor of business communication stages words and quotations into innovative typographic object images. Birkelbach uses three-dimensional figurative design elements to reinforce the text message, creating an expressive connection between poster art and miniature sculpture.

Each exhibit is handmade and hand-signed. The object pictures are framed with high-quality, glare-free glazing in solid wood bars. Limited edition 499 copies, with certificate.

"At the finish line": A three-dimensional incentive that inspires not only sports fans. Size 32 x 32 x 7,5 cm (h/w/d).

The text in the picture is in German "Ziel".
