

## Ulrike Langen: Picture "Paradise", framed

€598.00

Product no.: IN-763346.R1

The painter Ulrike Langen presents this female motif in a questioning, almost shy and stylishly restrained manner - framed in a circle by a roundelay of blossoms and leaves. As if these countless colours were reflected in the woman's figure. The woman is amid an enchanting variety of colours.

The original artwork was transferred directly onto 100% cotton artist canvas using the Fine Art Giclée process for a brilliant, authentic reproduction and mounted on a stretcher frame. Limited edition 199 copies, numbered and hand-signed on the back. Stretcher frame size 90 x 90 cm. Framed in sophisticated solid wood studio frame with shadow gap. Size approx. 94 x 94 cm. Exclusively at ars mundi.
