

Anna Mütz: Jewellery set "Chloé"

€288.00

Product no.: IN-885885

It's a real attraction when floral elements meet modern jewellery rubber. Delicate grey tones and precious materials characterise this avant-garde and asymmetrically designed jewellery set: anthracite-coloured, flexible rubber band, silver-plated floral work, shell beads, silver crepe beads. Necklace: length 43 cm. Bangle: length 25 cm. Ring: length 10 cm.

The jewellery set includes a necklace, a bangle and a ring.
