

Ellen Mäder-Gutz: Sculpture "Distant Proximity - I" (2011) (Unique piece), wood

€3,500.00

Product no.: IN-884613

Ellen Mäder-Gutz abandons the naturalistic image of man and intensively engages with nature. Thus, the artist stages organic forms that are modelled on nature but are not an image of it. In stone sculptures, ceramic objects, drawings or graphics, floral motifs can be found that radiate an almost casual eroticism.

Sculpture in oak, 2011. Signed and dated. Height: 121 cm.
