Product no.: IN-719882

The perfect harmony and elegance are Eva's trademarks which makes her a major work in Paul Wunderlich's sculptural oeuvre. Eva with the snake is elaborately designed. The surfaces of each body part are individually modelled, and the bronze shines in a golden patina. And what makes it so special: the sculpture measures 94 cm in height and is a representative eye-catcher as a floor-standing statue or on a pedestal.

Sculpture in bronze, patinated, cast using the Lost-Wax-Process. Edition of 250 copies, numbered and signed. Height 94 cm. Weight 8 kg.
