With imagination and humour, the artist, born in 1960 and a professor of business communication, stages words and quotes as innovative typographic object images. Birkelbach enhances the text message with three-dimensional figurative design elements, creating a powerful connection between poster art and miniature sculpture.

Each exhibit is handcrafted and hand-signed. The object pictures are framed in solid wood with high-quality, non-reflective glazing. Limited edition 249 copies, with certificate.

The typographic object picture is an original design by the artist from the year 2023. A beautiful object picture for all those who would like to influence and relax their body and mind with meditation techniques. Size 35 x 35 x 7 cm (h/w/d).
