

Axel Luther: Sculpture "Wild Boar", bonded bronze

€748.00

Product no.: IN-770860

The wild boar proclaims the overcoming of dangers. It fearlessly stands in the way of adversaries when they come too close to the pack and is earthbound. The Bayreuth sculptor Axel Luther, born in 1951, creates his art out of "inner reality", which means for him without preliminary studies. Thus, the motifs of the animals flow out of him, and he grasps them in their essence.

Edition in bonded bronze, cast by hand, with a bronzed surface. Limited edition of 199 copies, numbered and signed. Size 34 x 20 x 13 cm (w/h/d). Weight 4,5 kg. Exclusively at ars mundi.
