In Krähmer's pictures, it is not the landscape itself that is essential, but the atmosphere it conveys. It is about the silence, the almost meditative devotion that his works exude. He creates his works using the resin oil glaze technique. This creates paintings that appear almost photorealistic.

Original painting 2014, signed by hand. Elaborate resin oil glaze technique on MDF board. Image size 85 x 130 cm (h/w). Framed in a sophisticated solid wood frame with a black shadow gap and noble silver edge. Size 90 x 135 cm (h/w).
