

Garden sculpture "Wood Owl", bronze

€580.00

Product no.: IN-852417

Normally the wood owl hides deep in the forest and is only active at night, but here it shows itself in all its beauty in the sunlight and presents itself down to the smallest details of its distinctive plumage. Bronze, cast using the Lost-Wax-Process, finely patinated. Size 30 x 28 x 15 cm (h/w/d). Weight 3.1 kg.
