

Vincent van Gogh: Picture "Wheatfield under Thunderclouds" (1890), framed

€540.00

Product no.: IN-887865

In his last weeks, van Gogh devoted himself above all to the fields around Auvers, resulting in some impressive large-format paintings. In addition to the simple but effective composition, the most striking feature of this depiction is the loose impasto application of paint, which perfectly conveys the mood of the scene.

Original: 1890, oil on canvas, Van Gogh Museum, Amsterdam.
