€560.00

Product no.: IN-694429.R1

The main motif shows a sinking ship between gigantic ice floes, with only the stern sticking out of the frozen water. The actual ship appears vanishingly small on the right side of the piled-up, overpowering masses of ice: Nature majestically prevails over the human urge to progress.

Original: Oil on canvas, Kunsthalle Hamburg.

Fine Art Giclée print on canvas, stretched on a stretcher frame. Limited edition 499 copies. Framed in a handmade studio frame with gold leaf gilding. Size 62 x 80 cm (h/w).
