Beautiful as a gift: Kerstin Stark wants to convey messages of everyday life with her sculptures. The trained goldsmith combined and contrasted precious materials. She creates a familiar atmosphere with plenty of room for personal development through simplicity. This is the final building block - the last piece of the puzzle - to the work of art.

Table sculpture made of finely polished bronze on a cast stone base. Size 19 x 14.5 x 6 cm (w/h/d). Weight approx. 2.5 kg.
